

Move-In/Move-Out Cleaning & Airbnb Clean - Detailed Checklist

Impress your guests. Maintain 5-star ratings. Every clean, a first-class experience.

1. General Spaces

- Dust all surfaces (tables, lamps, ledges, skirtings, wall art, headboards)
- Disinfect high-touch points: light switches, doorknobs, remotes, thermostats
- Clean interior windows, sills, and frames
- Vacuum carpets, rugs, and upholstery (sofas, chairs)
- Mop all floors with appropriate solution
- Clean mirrors and glass surfaces
- Empty all bins and replace liners
- Air freshening or signature scent application (optional)

2. Kitchen

- Deep clean countertops and splashbacks
- Degrease stovetop, extractor fan, and oven (exterior & interior if requested)
- Clean inside and outside of fridge, microwave, kettle, toaster
- Wipe cupboard exteriors; interiors if emptied
- Clean sink, taps, and remove limescale
- Mop floor and clean baseboards
- Replace dishwashing supplies (if provided by host)

3. Bathroom

- Full disinfect of toilet (inside and out), sink, shower/bath
- Descale shower heads, taps, and glass panels
- Clean tiles and grout
- Wipe mirrors and any shelves
- Clean and restock toiletries (if provided)
- Replace used towels (if linen service is provided)
- Mop and sanitise floor
- Empty bins

4. Bedrooms

- Dust and wipe all furniture and surfaces
- Strip and remake beds with fresh linen (if provided)
- Clean wardrobe exteriors (interiors if empty)
- Vacuum under beds (if accessible)
- Wipe switches, handles, and skirting boards

5. Final Touches

- Check guest supplies: tea, coffee, toiletries, etc. (host-provided)
- Final room check for presentation & staging
- Spray light room fragrance (if agreed)
- Lock up or reset smart systems as required
